KAARA CLEANER is a specially formulated soap designed for wooden flooring, offering powerful cleaning performance while being safe and effective for all types of wooden floors

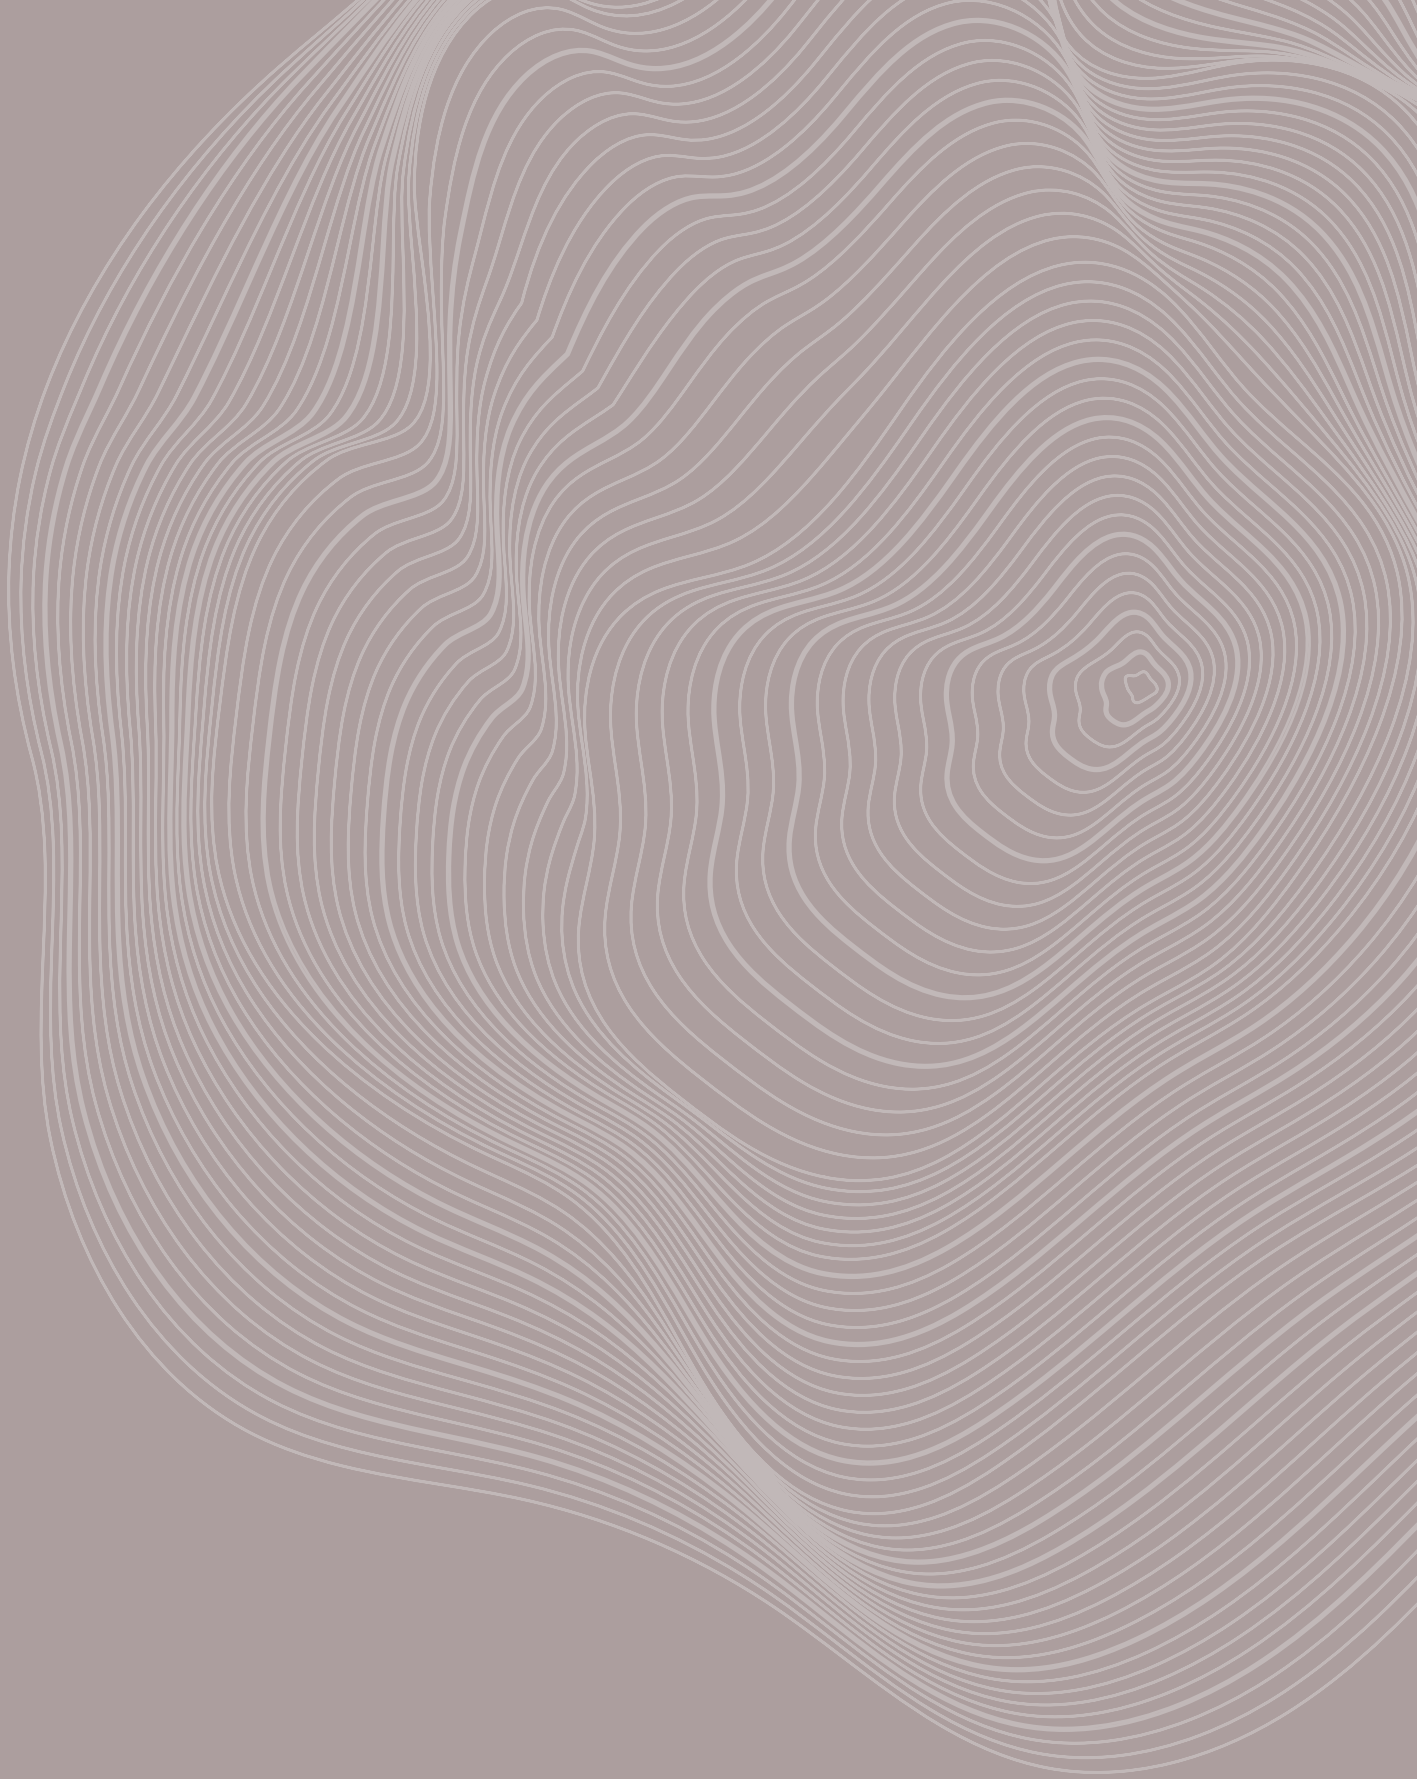

# WOOD FLOOR CLEANER

# WOOD FLOOR REFRESHER

KAARA REFRESHER is designed to renew & revitalize all types of wooden flooring, providing additional protection to the surfaces. The product removes small scratches and leaves behind a hard-wearing surface after application. It does not build up on the surface, making it ideal for restoring the gloss and shine of floors without leaving any residue.
